Postoperative Instructions for Otoplasty

POSTOPERATIVE INSTRUCTIONS FOR OTOPLASTY

These instructions are provided to achieve maximal benefit from your operation. Please adhere to them rigidly and if there are any question, contact our office.

1. Keep the head elevated approximately 30 degrees.
2. Do not take the bandage off unless specifically instructed to do so.
3. If you have pain which is not relieved by the pain medications, bring it to your physician's attention.
4. If the temperature persists above 101 °F over a 24-hour period, notify the physician.
